

Counties using the Teen Driver Challenge program

-  Licensed Programs in place
-  In process of implementing program

The Sheriffs of Florida created the Teen Driver Challenge to provide young drivers the knowledge and hands-on experience to reduce the chances of being involved in a crash. It is creating better drivers, reducing accidents and savings lives. And although it is provided free to students, the program is not free to the 35 Sheriffs' Offices that conduct the training. In order for the program to continue to grow, we need your help. Please consider a donation to ensure the Teen Driver Challenge will continue to thrive. Together, we can make our roads safer for our teens – and everyone else.

Please Help Sheriffs Save Lives with the Teen Driver Challenge!

Please Note: This donation does not renew your FSA Membership.
