Contract Terms and Conditions

1.02 PURPOSE

The Florida Sheriffs Association invites interested Bidders, including manufacturers and authorized vendors to submit responses in accordance with these solicitation documents. The FSA Cooperative Purchasing Program will conduct the solicitation process and administer the resulting contract. The purpose of this bid is to establish contracts with manufacturers and manufacturer's authorized vendors for contract terms specified under Section 1.03 for the purchase of Electric Vehicle (EV) Charging, Other Power Stations, Other Related Equipment & Software on a "no trade-in basis."

1.03 TERM OF CONTRACT

The term for this contract shall be in effect for two (2) years from date of contract execution by the FSA, and may be renewed by mutual agreement, at the sole option and discretion of the FSA, pursuant to the terms of Section 3.04. The initial term of these contracts begins July 1, 2022 and ends June 30, 2024.

Contract extensions will only be executed when the FSA determines, based on then-existing conditions, that it is in the best interest of the FSA and the purchasers to do so.

1.04 ESTIMATED QUANTITIES

This is a new contract and FSA has no historical record of sales for these items.

1.05 SHERIFF AS COUNTY CONSTITUTIONAL OFFICER

The Offices of the Sheriff in the State of Florida are constitutional offices of the State of Florida. Each has the authority either individually or collectively to execute contracts for all goods and services for the proper conduct of that office. Section 30.53, Florida Statutes, exempts the sheriffs' offices from the provisions of the Florida Statute that would otherwise require sealed and competitive bidding procedures.

It is our practice to give consideration to the prices offered, but the Office of the Sheriff is not required by law to accept the lowest priced proposal and may reject any or all of the proposals without recourse. Bidders are solely responsible for their own bid preparation costs and nothing in this solicitation in any way obligates the participating sheriffs' offices for any payment for any activity or costs incurred by any bidder in responding to this solicitation.

1.06 FUNDING

In the case of certain purchasers, including state agencies, funds expended for the purposes of the contract must be appropriated by the Florida Legislature, the individual participating agency or the agency's appropriating authority for each fiscal year included within the contract period. For such agencies, their performances and obligations to pay for products or services under any resulting contract, or purchase order, are contingent upon such an annual appropriation by the Legislature, individual agency or by the appropriating authority. Therefore, any contract or purchase order with such an agency shall automatically terminate without penalty or termination costs in the event of non-appropriation.

1.07 CURRENCY

FLORIDA SHERIFFS ASSOCIATION
Cooperative Purchasing Program

1.22 ORDER OF PRECEDENCE IN THE EVENT OF CONFLICT

In the event of conflict, the conflict may be resolved in the following order of priority (highest to lowest):

5. Bidder Instructions
6. General Conditions

1.23 COMMUNICATIONS

Communications between a proposer, bidder, lobbyist or consultant and FSA are limited to matters of process or procedure and shall be made in writing to the contact persons identified in Section 1.01 of this procurement.

1.24 CLARIFICATION AND ADDENDA

Any questions or clarifications concerning the Invitation to Bid shall be submitted to FSA by e-mail to CPP@flsheriffs.org with the bid title and number referenced on all correspondence. Final questions must be received by the date for Request for Clarification stated on the Bid Calendar. FLORIDA SHERIFFS ASSOCIATION
Cooperative Purchasing Program
Contract Terms and Conditions

Questions received after the cone of silence date listed on the bid calendar will not be addressed. The FSA reserves the right to address technical questions.

The FSA shall issue a Formal Addendum if substantial changes which impact the submission of bids are required. Any such addenda shall be binding on the bidder and shall become a part of the solicitation document. In the event of conflict with the original specifications, addenda shall govern to the extent specified. Subsequent Addenda shall govern over prior Addenda only to the extent specified.

FSA will make every attempt to e-mail updates to registered bidders. However, posting to the FSA website or the bid system constitutes proper notice of addenda.

The bidder shall be required to acknowledge receipt of the Formal Addendum by signing in the space provided. Failure to acknowledge Addendum shall deem the bid non-responsive; provided, however, that pursuant to section 2.27, the FSA may waive this requirement in its best interest. The FSA will not be responsible for any explanation or interpretation made verbally or in writing except those made through the posting of a Formal Addendum.

The bid submission constitutes acknowledgment of addenda to the specifications. Bids that fail to account for the specification addenda shall be determined to be nonresponsive; however, that pursuant to section 2.27, the FSA may waive this requirement in its best interest.

After the start of the contract term, FSA will notify all vendors of any addenda and will require acknowledgement of the new terms and conditions. If the vendor does not agree to the new terms and conditions, the vendor's award can be removed or replaced by another vendor or qualified responsive bidder.

1.25 SIGNED BID CONSIDERED AN OFFER

The signed Bid shall be considered an offer on the part of the bidder, which offer shall be deemed accepted upon approval by the FSA and in case of default on the part of successful bidder, after such acceptance, the FSA may procure the items or services from other sources. The bid submission must be signed by an authorized representative.

An electronic signature may be used and shall have the same force and effect as a written signature. Submission of a bid in the FSA bid system constitutes a signed bid for purposes of bid evaluation.

1.26 ASSIGNMENT OF CONTRACT

No right or interest in this Contract may be assigned, transferred, conveyed, sublet or otherwise disposed of, without prior written consent of the FSA.

If the original vendor sells or transfers all assets or the entire portion of the assets used to perform this Contract, a successor-in-interest must perform all obligations under this Contract. FSA reserves the right to reject the acquiring entity as vendor. A change of name agreement will not change the contractual obligations of the vendor.

FLORIDA SHERIFFS ASSOCIATION
Cooperative Purchasing Program
Contract Terms and Conditions

1.27 TERMINATION OF PRODUCT LINE

If a vendor terminates a product line (manufacturer or brand), the vendor is required to notify the FSA within 10 business days of the decision not to retain the product line.

In the event a manufacturer reassigns the product line to an alternate vendor, the manufacturer and the vendor are required to immediately notify the FSA in writing of the change within 10 business days confirming the reassignment. If the vendor is not already an approved FSA vendor, the vendor is required to apply to the FSA to become an approved vendor *prior to* conducting any qualified sales. The vendor and the manufacturer are required to honor the contract pricing and all of the applicable terms and conditions throughout the remaining term of the contract.

1.28 METHOD OF AWARD

The award is made to responsive and responsible bidders. FSA uses its discretion in determining if bids meet the requirements of this solicitation.

The FSA reserves the right to make multiple awards within a specification, if deemed in the best interest of the FSA and the purchasers.

Awards will be posted on the FSA website according to the date posted in the bid calendar.

1.29 DEMONSTRATION OF COMPETENCY

Bidders must be able to demonstrate a good record of performance for a reasonable period of time, and have sufficient financial support, equipment and organization to ensure they can satisfactorily execute the services if awarded a contract under the terms and conditions herein stated.

The terms "equipment" and "organization" as used herein shall be construed to mean a fully equipped and well established company in line with the best business practices in the industry and as determined by the FSA.

The FSA may consider any evidence available and may require submission of supporting documentation regarding the financial, technical and other qualifications and abilities of a bidder, including past performance with the FSA in making the award.

The FSA may require bidders to show proof that they have been designated as authorized representatives of a manufacturer or supplier which is the actual source of supply. In these instances, the FSA may also require information from the source of supply regarding the quality, packaging and characteristics of the products. Any conflicts between this material information provided by the source of supply and the information contained in the bid submission may render the bid nonresponsive.

Pre-award inspection of the bidder's facility may be made prior to the award of contract. Bids will only be considered from firms which are regularly engaged in the business of providing the goods or services as described in this Bid.

FLORIDA SHERIFFS ASSOCIATION
Cooperative Purchasing Program
Contract Terms and Conditions

Information submitted in the bid may not be plagiarized and, except in the case of materials quoted from this solicitation or developed by the manufacturer, must be the original work of the individual or company that submits the bid for evaluation.

1.30 VENDOR ABILITY TO PERFORM

During the contract period, FSA may review the vendor's record of performance and may require submission of supporting documentation to ensure that the vendor is providing sufficient financial support, equipment and organization.

If the FSA determines that the vendor no longer possesses the financial support, equipment and organization in order to comply with this section, FSA has the authority to immediately terminate the contract awarded.

By responding to this procurement the vendor warrants that, to the best of his or her knowledge, there is no pending or threatened action, proceeding, or investigation, or any other legal or financial condition, that would in any way prohibit, restrain, or diminish the vendor's ability to satisfy the obligations of the Contract. The vendor warrants that neither it nor any affiliate is currently on the convicted vendor list maintained pursuant to section 287.133 of the Florida Statutes, or on any similar list maintained by any other state or the federal government. The vendor shall immediately notify the FSA and purchaser in writing if its ability to perform is compromised in any manner during the term of the contract.

1.31 FINANCIAL RESPONSIBILITY

Bidder affirms by the signature on the contract signature page that the bidder:

- Has fully read and understands the scope, nature, and quality of work to be performed or the services to be rendered under this bid, and has the adequate facilities and personnel to fulfill such requirements;
- Accepts the financial responsibility associated with this bid, and declares that he or she has the access to capital (in the form of liquidity or credit lines) in order to meet the financial demands of such award; and
- Has assessed the financial responsibility required to serve the contract as bid, including such details as the obligations to perform all specifications bid, zones bid, and quantities that could be ordered, as well as timing of payment from purchasers, which can be 45 calendar days from receipt of invoice.

1.32 QUALITY AND SAFETY

All materials used for the manufacture or construction of any supplies, materials or equipment covered by this bid shall be new. The items bid must be new, the latest model, of the best quality, and highest grade workmanship that meet or exceed federal safety standards.

Products requiring certification should require certification of options in cases where non-certified options could result in the decertification of the original product or warranty. In all cases where options are not certified, the vendor must disclose to the end user that the non-certified options are not required to be certified. All options must meet or exceed federal safety standards.

FLORIDA SHERIFFS ASSOCIATION
Cooperative Purchasing Program
Contract Terms and Conditions

1.33 NONCONFORMANCE

Items may be tested for compliance with specifications. Items delivered that do not conform to specifications may be rejected and returned at the vendor's expense. Items not meeting the specifications and items not delivered within a reasonable period of time after expected delivery date may be purchased outside of the FSA contract.

Any violation of these stipulations may also result in:

- Vendor's name being removed from the awarded vendor list.
- FSA and purchasers being advised not to do business with vendor.

1.34 GRATUITIES

Proposers shall not offer any gratuities, favors, or anything of monetary value to any official, employee, or agent of the FSA, for the purpose of influencing consideration of this bid.

1.35 TIE BIDS

FSA has the right to award multiple bidders the primary or alternate award in the event of a tie.

In the event the FSA desires to break tie bids, and both businesses have qualifying drug-free work programs, the award will be made using the following criteria:

- Bidder within the State of Florida
- Vendors performance record with purchasers
- Coin Toss

1.36 RIGHT TO AUDIT

Vendor shall establish and maintain a reasonable accounting system that enables FSA to readily identify vendor's sales.

FSA and its authorized representatives shall have the right to audit and to make copies of all related records pertaining to this contract, including all government sales and eligible users information whether kept by or under the control of the vendor, including, but not limited to those kept by its employees, agents, assigns, successors, sub-vendors, or third party suppliers in whatever form they may be kept – written or electronic. Such records shall include, but not be limited to:

- Accounting records, including but not limited to purchase orders, confirmation of orders or invoices, paid vouchers, cancelled checks, deposit slips, ledgers, and bank statements;
- Written policies and procedures;
- Subcontract files (including proposals of successful and unsuccessful bidders, bid recaps, etc.);
- Original estimates or work sheets;
- Contract amendments and change order files;

FLORIDA SHERIFFS ASSOCIATION
Cooperative Purchasing Program
Contract Terms and Conditions

- Insurance documents; or
- Memoranda or correspondence.

Vendor shall maintain such records during the term of this Contract and for a period of three (3) years after the completion of this Contract. At the vendor's expense and upon written notice from FSA, the vendor shall provide such records for inspection and audit by FSA or its authorized representatives. Such records shall be made available to FSA during normal business hours within three business days of receipt of the written notice. FSA may select the vendor's place of business or offsite location for the audit. The FSA may also request the vendor provide requested records via e-mail.

Vendor shall ensure FSA has these rights with vendor's employees, agents, assigns, successors, and third party supplier and the obligations of these rights shall be explicitly included in any subcontracts or agreements formed between the vendor and any sub-vendors to the extent that those subcontracts or agreements relate to fulfillment of the vendor's obligations to FSA.

Professional fees, personnel costs and travel costs incurred by FSA under its authority to audit and not addressed elsewhere will be the responsibility of the FSA. However, if the audit identifies under reporting, overpricing or overcharges (of any nature) by the vendor to FSA or a customer in excess of three percent (3%) of the total contract billings, the vendor shall reimburse FSA for the total costs of the audit not to exceed \$5,000. If the audit discovers substantive findings related to fraud, misrepresentation, or non-performance, FSA may recoup all the costs of the audit work from the vendor.

Any adjustments or payments that must be made as a result of any such audit or inspection of the vendor's invoices or records shall be made within a reasonable amount of time (not to exceed 60 calendar days) from presentation of FSA's findings to vendor.

FSA has the right to assess damages or seek reimbursements or refunds based on audit results.

1.37 LIABILITY, INSURANCE, LICENSES AND PERMITS

Where vendors are required to enter or go onto FSA or purchaser property to deliver materials or perform work or services as a result of a bid award, the vendor will assume the full duty, obligation and expense of obtaining all necessary licenses, permits and insurance and assure all work complies with all applicable county and municipal code requirements. The vendor shall be liable for any damages or loss to the FSA or purchaser occasioned by negligence of the vendor or any person the vendor has designated in the completion of the contract as a result of the bid.

1.39 ELIMINATION FROM CONSIDERATION

This Invitation to Bid shall not be awarded to any person or bidder who has outstanding debts to the FSA, whether in relation to current or previous bid awards or for other business purposes.

1.40 COLLUSION

Collusion is a non-competitive secret or sometimes illegal agreement between rival bidders that attempts to disrupt the contract process equilibrium. Collusion involves people or companies that would typically compete, but are conspiring or working together in which the outcome results in an unfair bid advantage. The parties may collectively choose to agree to increase or decrease its product base price in one or more zones to maximize awards thus denying the public a fair price.

Examples of Bid Collusion:

- Cover bidding: a competitor agrees to submit a non-competitive bid that is too high to be accepted or contains terms that are unacceptable to the buyer.
- Bid suppression or withdrawal: a competitor agrees not to bid or to withdraw a bid from consideration.
- Market sharing: a competitor agrees to submit bids only in certain geographic areas or only to certain public organizations.
- Bid rotation: competitors agree to take turns at winning business while monitoring their market shares to ensure they all have a predetermined market share.

Bidders or vendors who have been found to have engaged in collusion will be considered nonresponsive, and will be suspended or barred from bid participation. Any contract award resulting from collusive bidding may be terminated for default. Further, any collusion that is detected by the FSA may be reported to relevant law enforcement and/or prosecutorial agencies.

Bidders may submit multiple bids without conflict of collusion if the bid submitted is not from the same manufacturer and product line. Dealers which share the same ownership may submit multiple bids without conflict of collusion if the bidders are not in the same region featuring the same manufacturer and product line.

1.41 DEFAULT

Failure or refusal of a bidder to execute a contract upon award or withdrawal of a bid before such award is made, may result in forfeiture of any bid surety required that is equal to damages incurred by the FSA there from, or where surety is not required, failure to execute a contract as described above may be grounds for removing the bidder from the awarded vendor's list.

In case of default on the part of awarded bidder, the FSA may take necessary steps to otherwise procure the products sought, including but not limited to procuring the products or services from the next highest

FLORIDA SHERIFFS ASSOCIATION
Cooperative Purchasing Program

ranked bidder or from other sources. A defaulting bidder may be held liable for costs incurred by the FSA in procuring replacement products.

1.42 PROTESTS AND ARBITRATION

Options are for informational purposes only and will not serve as a basis for protest.

Any person who is adversely affected by the decision or intended decision to award shall file a Notice of Protest in writing to the FSA within three (3) business days after the posting of the Intent to Award and shall file a formal written protest within five (5) business days after filing the Notice of Protest. Failure to file both a notice of protest and a formal written protest within the above referenced timelines shall constitute a waiver of proceedings.

The burden is on the party protesting the award of the bid to establish grounds for invalidating the award(s). The formal written protest must state with particularity the facts and law upon which the protest is based. Failure to do so will result in a denial of protest. Formal written protest which states with particularity the facts and law upon which the protest is based will be reviewed by FSA legal counsel for legal soundness and validity, and corrective action will be taken as needed contingent upon the validity of such claims. However, any additional time required and cost incurred by the FSA to substantiate a protesting party's claim(s) beyond the normal scope of its legal review due to the vague or inconclusive nature of the protesting party's filing will be reimbursable to the FSA and deducted from the protesting party's bond or security which must accompany their filing.

Any bidder who files an action protesting a decision or intended decision pertaining to this contract shall post a bond, cashier's check or money order payable to the Florida Sheriffs Association in the amount equal to ten percent of the product line being protested. The bond, cashier's check or money order must be filed at the time of filing the formal written protest or within the five (5) business day period allowed for filing the formal written protest. FSA will provide the amount required within two (2) business days of the notice of protest received. This bond or security will be conditioned upon the payment of all costs which may be adjudged against the protesting party in a court of law and/or to reimburse the FSA for additional legal expenses incurred and required to substantiate the protesting party's claim(s). Failure to post the bond or security requirement within the time allowed for filing will result in a denial of protest. The filing of the protest shall not stay the implementation of the bid award by the Florida Sheriffs Association.

Should the unsuccessful bidder(s) decide to appeal the decision of the FSA, they shall file a notice to FSA within three (3) business days of the FSA bid protest decision regarding their intent to request arbitration. A demand for arbitration with the American Arbitration Association's (AAA) commercial panel under its rules and regulations must be made within ten (10) business days of the FSA bid protest decision. Any person who files for an arbitration with the AAA shall post with the Florida Sheriffs Association at the time of filing the formal written arbitration request, a bond, cashier's check or money order payable to the Florida Sheriffs Association in the amount equal to ten percent of the product line being protested. This amount will be the same amount as the FSA provided at the time of filing the initial protest. Failure to provide written notice to FSA, file a demand for arbitration with the AAA, or failure to post the required bond and security requirement within the specified timelines shall constitute a waiver of arbitration proceedings. By responding to this procurement the bidder expressly agrees to the use of mandatory binding arbitration to resolve any appeals of the decision of the FSA, and any claims arising from or in any way relating to the procurement process, and expressly waives any and all rights that it may otherwise have to pursue such claims in any other forum, judicial or otherwise.

FLORIDA SHERIFFS ASSOCIATION
Cooperative Purchasing Program
Contract Terms and Conditions

If the party filing for arbitration does not prevail, it shall pay all costs, legal expenses and attorney fees of the prevailing party incurred in connection with the arbitration. However, if the filing party prevails, the parties shall share equally the fees and expenses of the arbitration and AAA and each shall bear the cost of their own attorney fees. The filing for arbitration shall not stay the implementation of the bid award by the Florida Sheriffs Association.

1.43 NONPERFORMANCE

By virtue of the bid submission, bidder acknowledges its obligation to sell awarded items in all zones for which it is awarded. Failure of the bidder to comply with these requirements may result in the imposition of liquidated damages of up to \$1,000 per awarded item which amount the vendor agrees is reasonable, or probation, suspension, termination or a combination thereof from current and future bids at the FSA's discretion.

The vendor shall at all times during the contract term remain responsive and responsible. In determining vendor's responsibility, the FSA shall consider all information or evidence that demonstrates the vendor's ability or willingness to fully satisfy the requirements of the solicitation and the contract.

Vendors that are not in compliance with any of the provisions of this contract can be assessed liquidated damages, suspended or terminated from the contract. The FSA at its sole discretion may remove a noncompliant vendor from future competitive bid solicitations; or take other actions including suspension from the contract until compliance issues are resolved, limit current or future vendor participation by specifications or zones, or other actions as determined by FSA at its sole discretion.

At FSA's discretion, vendors may be required to develop corrective action plans to address contract compliance. Failure to abide by corrective action plans will result termination from the existing contract and future competitive bid solicitations at the discretion of the FSA.

In situations where there is evidence that the vendor has engaged in egregious breaches of the contract with respect to either the FSA and/or the purchaser, the contract can be terminated and the vendor will be removed from future solicitations for a period of up to three (3) years, or a permanent ban from the bid process at the sole discretion of FSA.

Specific conditions for termination include, but are not limited to; failure to perform, refusal to accept orders during the contract period while manufacturer orders are still being accepted for current model year or the new year if awarded items is price protected by the factory, charging amounts exceeding MSRP on factory or vendor installed items and packages, requiring the purchase of additional options over and above the base awarded items as a condition of acceptance of order, providing aftermarket options where factory options are available without the consent of the purchaser, any misrepresentation of optional equipment or service as being factory that fails to meet the definition as described in this document, and any other practice deemed to be inconsistent with the intent of the contract.

Any vendor presented with a valid purchase order is required by this contract to accept such purchase order and deliver the product. Orders must be fulfilled if the awarded item is a base model or whether it includes options. The vendor must deliver this product if they were awarded the contract – regardless of profit or loss.

Failure to deliver awarded items may result in the purchaser seeking damages for the difference of cost to issue the exact same order with another vendor plus any legal fees and damages that may be incurred in

the process to facilitate a completed order. Additionally, FSA may seek damages for nonpayment of administrative fees, to which FSA is entitled, according to Section 3.26 and any attorney's fees incurred in the recovery of these damages.

All terms and conditions are applicable throughout the term of the contract and not any given Year, Make or Model.

1.44 SEVERABILITY

In the event any provision of this contract is held to be unenforceable for any reason, the unenforceability thereof shall not affect the remainder of the contract which shall remain in full force and effect and enforceable in accordance with its terms.

1.45 TERMINATION FOR CAUSE

If through any cause within the reasonable control of the vendor, it shall fail to fulfill in a timely manner, or otherwise violate any of the terms of this contract, the FSA shall have the right to terminate the services remaining to be performed. Written notice of the deficiencies shall be given to the vendor and unless the deficiencies are corrected within 10 business days, the Contract may be terminated for cause immediately. The right to exercise the option to terminate for cause shall be in the sole discretion of the FSA, and the failure to exercise such right shall not be deemed to constitute a waiver of this right.

In that event, the FSA shall compensate the successful bidder in accordance with the contract for all services performed by the bidder prior to termination, net of any costs incurred by the FSA as a consequence of the default.

Notwithstanding the above, the vendor shall not be relieved of liability to the FSA for damages sustained by the FSA by virtue of any breach of the contract by the vendor, and the FSA may reasonably withhold payments to the vendor for the purposes of off set until such time as the exact amount of damages due the FSA from the vendor is determined.

1.46 TERMINATION WITHOUT CAUSE

The FSA can terminate the contract in whole or part without cause by giving written notice to the vendor of such termination, which shall become effective 30 calendar days following receipt by vendor of such notice.

In that event, all finished or unfinished documents and other materials shall be properly delivered to the FSA.

The vendor shall not furnish any product after it receives the notice of termination, except as necessary to complete the continued portion of the contract, if any. The vendor shall not be entitled to recover any lost profits that the vendor expected to earn on the balanced of the Contract or cancellation charges.

Any payments to the vendor shall be only to the total extent of the FSA liability for goods or services delivered prior to the date of notice to terminate the contract.

2.08 EXCEPTIONS, OMISSION AND ERRORS

Any exceptions, deviations, or contingencies a bidder may have to specifications or Contract Conditions, Section 3.0 of this document, must be documented in bidder's submission. Exceptions to the specifications at the time of the bid submission shall reference the specification or item number and a written explanation for the request for exception. At FSA's discretion, exceptions, deviations, or contingencies to the specifications or Contract Conditions stipulated by the bidder may result in disqualification of a bidder's submission.

Specifications are based on the most current manufacturer literature available. Bidders should immediately notify the FSA of any inaccuracies in the specifications or required submittal documents. All notifications of inaccuracies must be in writing and timely submitted.

Failure of a bidder to comply with these provisions will result in bidders being held responsible for all costs required to bring the awarded items into compliance with the contract specifications.

Exceptions, deviations or contingencies to the General Conditions or Bidder Instructions, other than those determined to constitute minor irregularities and waived by the FSA pursuant to Section 2.27, may be cause for the rejection of a bidder's submission.

2.09 MISTAKES

Bidders are expected to examine the specifications, delivery schedules, bid prices and all information pertaining to servicing this contract before submitting a bid. Failure to do so will be at the bidder's risk.

2.10 EQUIVALENTS

Bidders must first request approval from the FSA before submitting a bid that includes an equivalent that will supplement an item on the base specification. The FSA will determine whether the proposed equivalent is equal to or exceeds the quality, design and construction than the intended replacement item in the base specification.

Bidders must provide the manufacturer name and model number (or product identifier) of each equivalent when seeking approval. Complete, descriptive, technical literature should demonstrate that the equivalent conforms with specific replacement item.

If the equivalent is approved, the bidder must include the supporting material in the bid submission. Bids will not be considered without this information. If a bid uses equivalents without prior approval, the bid will be deemed nonresponsive.

Vendors offering alternate makes and manufacturers of awarded items that are not specifically identified in the bid, cannot publish or offer the unapproved equivalents. Offerings of this nature will cause the bid to be rejected. If such offerings are identified after the award has been granted, the offerings, specification or entire award can be removed by the FSA.

When selling equivalents, vendors must disclose to the purchaser that an approved equivalent is being offered.

Contract Terms and Conditions

Once awarded, the vendor has the authority to offer discounts for prompt payment. Cash or quantity discounts offered will not be a consideration in determination of award of the bid.

2.14 OPTION PRICING

The bidder shall offer discounts below Manufacturer's Standard Retail Pricing (MSRP) or manufacturers published list price for any factory options included in the bid submission and quotes to purchasers, if awarded. This includes non-scheduled options.

Options are intended to add or delete equipment or features from the base specification. Options can provide an upgrade or downgrade to a manufacturer's model, such as a slightly different power rating size, and should not be made available for purchase separate from the base awarded items. Bidders shall NOT use options to create an awarded item that is entirely different than the FSA base specification or are available as another specification bid on this ITB.

Bidder must use proper factory codes for all factory options. Options available through the factory must be bid and supplied to purchaser as "factory" options, unless otherwise requested in writing by the purchaser.

The FSA has the discretion to disqualify bidders if the option pricing is excessive or if options listed are not available for the item bid.

Government imposed fees should not be included in option pricing.

No other additional charges or fees are admissible.

If options are not available as a stand alone option, the bidder must indicate in their bid submission any option requiring the purchase of other options, and also indicate options that are a part or dependent of another option.

Factory package options are allowable under this contract. Factory package options must be included in the options within the bid document and detailed specifically as to what components the package includes.

Purchasers are encouraged to negotiate option pricing with vendors. Discounts can be provided beyond option prices listed in the contract. The additional discounts for each add option shall be decided by the vendor.

Option Upload

The bid system will receive option information from bidders submitted via pdf document upload. If bid, option information will include the following details for each item bid:

- Bid Item number (FSA item specification number) and bid item description
- Order code (Manufacturer order code)
- Description
- Price

The options will correspond to the specification or item number. Multiple options may be listed for specification or item number bid. Therefore, any bidders that do not indicate the correct item number that corresponds to the correct option code, price and description will not have options displayed for the item bid. If option pricing is not uploaded correctly, FSA may require bidders to correct the formatting of the

options, but pricing may not be modified. Failure of the bidder to make corrections may cause the bid to be rejected.

If the bidder wishes to offer credit to the purchaser for an option that is standard on the FSA base specification, the bidder should include the word "Credit" at the beginning of the Description field, and continue to describe the option being credited. For example, "Credit: one key fob" and enter the price the bidder will credit the purchaser.

2.15 ZONE BIDDING

Bidders are allowed to bid in one or more geographic zones. The zone map is included in Appendix A. A space is provided for the bidder to indicate pricing for each zone. The bidder only submits a bid for each zone if pricing is provided for each zone.

2.16 SUBMITTAL OF BID

Bidders are required to submit a bid using the FSA bid system, VendorLink. Bid submissions include pricing for the base specification, option descriptions and pricing, as well as all other required documentation.

Bid System: VendorLink

Bidders must submit their bid electronically using the FSA bid system, which is located at <https://www.myvendorlink.com>. Bids not submitted within VendorLink will be rejected. Bidders are encouraged to participate in training provided for Vendorlink.

Prices are to be rounded to the nearest whole dollar (i.e. \$10, not \$10.05). The bid system allows for cents, however the bid evaluation is based on the whole dollar. If a bidder submits bid pricing using cents, the following formula will be applied:

- \$.01-.49 will be rounded down to the prior dollar bid (e.g. \$50.49 = \$50)
- \$.50-.99 will be rounded to the next dollar (e.g. \$50.50 = \$51)

To ensure correct bid submittal and formatting, Bidders shall:

1. Submit bid electronically through the FSA bid system, VendorLink, for the applicable bid.
2. Input bid price in the bid system price field within each specification being bid by zone.
3. Upload files as instructed in the bidder submission instructions in VendorLink in MS Word (.doc or .docx), Excel (.xls or .xlsx), or Adobe Portable Document Format (.pdf), or Compressed File (ZIP) formats.

Awards may also be made to the second and third lowest bidders by specification, by manufacturer and by zone, if applicable and determined to be in the best interest of the FSA and the purchaser.

A sample Vendor Change Document can be found on the FSA website.

3.04 OPTION TO RENEW & PRICE ADJUSTMENT

Such a month-to-month extension shall be upon the same terms of the contract and at the compensation and payment provided herein.

Price Adjustment

On an annual basis during the contract term, the FSA may consider a price adjustment due to changes in the Producer Price Index (PPI) as published by the U.S. Department of Labor, Bureau of Labor Statistics, certified manufacturer price changes, and price increases as a result of any changes to national or state standards that require substantial cost adjustments, significant manufacturer changes to the production of and specification design, or in the event of material changes in tariffs that result in cost increases of 15% or more.

The price adjustment requests may be considered and implemented by FSA on an annual basis during the initial term, or upon the completion of the initial term or a 12-month renewal period. Price adjustments will be implemented upon request from a vendor or in the event that the FSA determines in its sole discretion that such a price adjustment is warranted.

FLORIDA SHERIFFS ASSOCIATION

Cooperative Purchasing Program

Contract Terms and Conditions

In the event of changes to national or state standards, the vendor must present verifiable changes in cost to FSA. The FSA will consider the cost changes and will make a final determination on the change in price. In cases where manufacturers have significant changes to production and specification design to an awarded item, or manufacturer certified price changes, FSA will consider certified manufacturer cost changes and may allow price adjustments to reflect to such changes in costs from the manufacturer to the awarded vendor.

For any vendor-initiated price adjustment to commence on the first day of the renewed contract term or a 12-month renewal period, the vendor's request or adjustment should be submitted sixty (60) calendar days prior to expiration of the then current contract or annual renewal. The vendor-initiated price adjustment request must clearly substantiate the reasons for the requested increase. If no request is received from the vendor, the FSA will assume that the vendor has agreed that the optional term may be exercised without pricing adjustment. Any adjustment request received after the commencement of a new option period will not be considered.

The FSA reserves the right to accept the renewal adjustment or to allow the contract to fully or partially terminate and readvertise for bids, whichever is in the best interest of the FSA.

This information will be copied to the report page headers in each worksheet. The second worksheet must contain all sales or purchase orders received during the quarter. This fee should also be included on all add options. The administrative fee will remain payable to FSA and no relief from payment of the administrative fee, nor any additional charge to recoup the administrative fee, will be permitted if a vendor fails to incorporate the administrative fee in its bid pricing.

The fee should never be listed as a separate line item on any purchase order.

The administrative fee is based on the total purchase order amount of items and options. This fee excludes any value given to purchasers for trade-ins. Trade-ins, extended warranties and other exchanges will not reduce or impact the fee calculation.

The administrative fees are the contractual responsibility of each awarded vendor.

By submission of the quarterly reports and administrative fee, the vendor is certifying the accuracy of the reports and deposits. All reports and fee submissions shall be subject to audit by the FSA or their designee.

All participating vendors will be responsible for making sure that FSA has the contact information, including e-mail address, for the person responsible for quarterly reports. There will be no reminders for the quarterly reports or the administrative fee.

Title 2

Appendix II to Part 200 - Contract Provisions for Non-Federal Entity Contracts Under Federal Awards

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

(A) Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

(B) All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement.

(C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

(D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland "Anti-Kickback" Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

(E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are also applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR § 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

**FSA22-PWR1.0 Electric Vehicle (EV) Charging, Other Power Stations,
Other Related Equipment & Software Bid Specifications**

Bid items offered under this bid shall be listed in the following specification groups:

Specification 1: Level 1 Chargers:

Level 1 EV charging uses a 120 Volt (V) outlet and an Electric Vehicle Supply Equipment (EVSE or the charger). This is the standard residential outlet for nearly all household devices. Level 1 charging is routinely known as *trickle charging* due to its slow speed. Level 1 chargers can recharge around 4 miles of range per hour. To fully recharge an all-electric car with a Level 1 charger, it can generally take more than 30 hours. Overnight charging generally provides an approximate 50-mile vehicle range. The onboard charger for Level 1 is only for AC power.

Specification 2: Level 2 Chargers:

Level 2 charging is the next level EV charger. Level 2 charging can be found at both residential and public charging stations. In residential applications, Level 2 charging requires a 240 Volt (V) outlet. Charging using Level 2 is much quicker than Level 1. Generally, Level 2 charging provides around 12-30 miles of range per hour. To fully recharge an all-electric car will take around 6-12 hours depending on the battery size. Level 2 chargers also require a charger, which is purchased separately. The charger that comes with the car is almost exclusively only for Level 1. The onboard charger for Level 2 is only for AC power.

Specification 3: Level 3 Chargers:

Level 3 chargers are commonly known as DC Fast Charging, which utilizes over 480 Volt (V). Level 3 charging utilizes DC power. Due to the high power, DC Fast Charging is only found at commercial charging stations. Additionally, there is no EVSE with DC Fast Charging stations as the station itself is the charger. Charging on a DC Fast Charging station will generally provide around 3-15 miles per minute. DC Fast Charging generally can recharge an EV car battery to 80% in around 30 minutes.

Specification 4 – Software and Other Equipment:

Software provides operational systematic support for EV chargers to meet purchaser needs. This may also include an integration component where compatibility is needed for existing purchaser charging and software systems. Equipment may be needed by purchasers to meet their infrastructure of charging system needs.

In addition, the software if requested by the purchaser should be able to provide but not limited to:

- Designated charge time(s) to prevent charging of a vehicle during electrical peak times if desired by the purchaser.
- Fault Notification from chargers that provide notification to purchaser that there is a problem with a charger(s).

- Capturing of data that allow purchaser to measure Return on Investment (ROI)/life cycle cost, greenhouse gas (GHG) avoidance, etc.
 - For example, software should be able to produce the amount of hours vehicle was on a charger and KW used to charge a specific vehicle and/or fleet of vehicle per day, week or month.
