From the desk of...

Steve Casey, Executive Director
Florida Sheriffs Association

Welcome to the Florida Sheriffs Association's "Annual Guide to Government 2011" – a special edition of *The Sheriff's Star* magazine

Florida Sheriffs have a long tradition of working with their communities to address public-safety issues and concerns. One way Florida Sheriffs do this is through the publication of the *FSA Annual Guide to Government*, which was created to keep our members informed and to promote better communication between law-abiding citizens and their lawmakers.

In this edition, you will find helpful biographical information, contact phone numbers and addresses for correspondence with elected and appointed officials. You also will find a message from FSA President Sheriff Harrell Reid of Hamilton County and a preview of the legislative priorities established by the Florida Sheriffs for the 2011 legislative session as well as other informative articles.

You can count on Florida Sheriffs to continue to play an active role in representing public-safety concerns to decision makers in Tallahassee as in years past. We will continue our long-standing tradition of being present in the halls of the Capitol when critical decisions are being made that can affect the well-being of you and your family.

The guide was first published in 1929, and what was a good idea then is an even greater idea today. Each year, we look for ways to improve the quality of the publication. This year marks the first time the publication will be in full color, and it also is the first time we have invited our corporate partners to advertise with us. We will also be publishing the guide on the FSA website for download later in the year (see www.flsheriffs.org).

I hope you will enjoy this edition of the guide and that it will assist you in the coming year in staying connected to your Sheriff and other elected officials. In closing, on behalf of the 67 Sheriffs in Florida, and the thousands of men and women in law enforcement, I want to thank you for your continued support. Because of you, the Florida Sheriffs Association is the largest, most successful law-enforcement association of its kind in the nation. I wish you all the best in 2011.

Sincerely,

Steve Casey
Executive Director
Florida Sheriffs Association

FLORIDA SHERIFFS ASSOCIATION OFFICERS

A message from the FSA President J. Harrell Reid:

Hamilton County Sheriff J. Harrell Reid
President of the Florida Sheriffs Association

There's nothing like a challenge to spur a more unified effort. And that's what we're experiencing among our Florida Sheriffs.

We've all been hit by budget cutbacks; we know what it's like to tell committed employees that their job is being eliminated, or we have to cut back their hours. It's bad enough for someone in a private business to make cuts, but in law enforcement – where salaries are already limited – it stings even more.

In the face of cutbacks, it's critical that Sheriffs have the freedom to shift people and resources in order to keep doing an effective job protecting the people. But there are groups out there that are bent on limiting that freedom. We continue to see our authority eroded by unions pushing for even greater collective bargaining power.

That's why in the upcoming legislative session, Sheriffs will continue to present a united front in defending the constitutionality and authority of the Office of Sheriff.

Make no mistake, the Sheriffs are a force to be reckoned with, and we have the tools in place to go as far as we need to go to protect this Office and the people we serve.

Tackling crime trends

Two emerging concerns you'll also see the Sheriffs battling on your behalf at the Capitol are the proliferation of Internet cafés and pill mills. Both are like parasites that can suck the life out of our communities, and we need to bring them under control before they become an epidemic. They're dodging existing laws, and we need to take a tougher stance to avoid legalized gambling and feeding addictions through prescription drugs.

In the face of budget cutbacks, we're also preparing ourselves for a fight in the corrections arena. In tough economic times, inevitably some ill-informed lawmaker will propose new laws and programs that release violent criminals early from state prisons. If this is allowed, I can guarantee you that our neighborhoods and business communities will see an increase in violent crime.

BOARD OF DIRECTORS

Members of the Board of Directors serve two-year terms. They can succeed themselves only one time, and are thus limited to four continuous years. Terms are staggered so that six Board Members are elected in even-numbered years and six in odd-numbered years. The Chairman and Vice-Chairman are elected by the Board for one-year terms and cannot be re-elected to succeed themselves.

Officers and Directors are elected at the Annual (summer) Conference.

Again, expect to see the Sheriffs at the forefront, with your best interests in mind.

Thanks to previous successful legislation, the Sheriffs were given tools to better protect our children. You may have heard about the special operations that the Florida Sheriffs have been initiating on sexual predators. You can expect more of those this year – proactive efforts carried out through our Florida Sheriffs Statewide Task Force. This tool has been used in the past to come down on deadbeat dads and help clean up the crack cocaine epidemic. Through the leadership of fellow Sheriffs Jeff Dawsy of Citrus County and Grady Judd of Polk County, we now have the training and resources to take the operations to other parts of the state.

Together, we will send a message to predators: Don't even think about preying on Florida's kids!

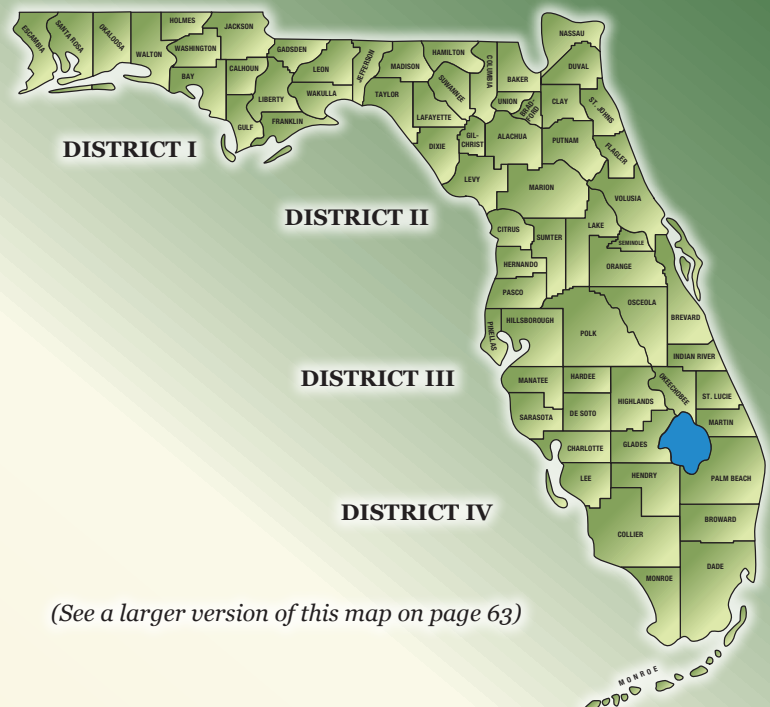

A quick look back

In December 2010, I had the honor of presenting a proclamation to outgoing Governor Charlie Crist and the other Cabinet members, commending them for their contribution to helping us achieve the lowest crime rate in 39 years. Still, even if overall statistics seem positive, we must remain vigilant to keep that trend going in the right direction.

I appreciate the honor of serving as president of this great organization. And I look forward to adding more to the united front in the coming year.

The Florida Sheriffs Association Legislative Agenda 2011

By Frank Messersmith
FSA Governmental Consultant

The Florida Sheriffs held a Legislative Summit to discuss issues of interest and concern to the Sheriffs and their Office. Following this and subsequent discussions, they agreed to focus on the following issues for the upcoming 2011 legislative session.

Foremost, the FSA will be involved with all the Florida Retirement System and retirement issues affecting their personnel. Such issues could include vesting, retirement age and years of service, employee contributions to the retirement system, average final compensation, accrual rates and any other pertinent issues.

Support Issues:

- **Containing Jail Medical Costs.** A financial cap on Inmate Medical Services similar to the legislation passed on behalf of the state prison system. The Sheriffs seek to cap the enormous and growing medical costs of county jail inmates. The proposed cap would apply only in the event a local hospital and the Sheriff or county government has not established a formal agreement on such costs.
- **Immigration Reform.** While not endorsing a particular piece of legislation, the FSA will continue to make this a priority. The Sheriffs have approved concepts similar to the proposal by former Attorney General Bill McCollum that includes: requiring checking a suspected immigrant's status

Frank Messersmith
FSA Governmental
Consultant

in the course of a stop for the violation of another law; requiring aliens to carry immigration documents; requiring businesses to ensure that new hires are authorized to work; and creating a sentencing enhancement for illegal aliens who commit a crime.

- **Sexual Misconduct in Jails.** Amending F.S. 800.09 that makes it a third-degree felony for a prisoner to commit lewd or lascivious acts in the presence of a correctional facility employee in state correctional facilities, to include county correctional facilities. This is an effort to make the law the same in county jails as in state prisons to assist in inmate control.
- **Text Messaging.** Prohibiting text messaging on communication devices while driving. The prohibition is enforced as a secondary offense that is punishable with a fine and court costs. Depending on the county, the fine and court costs will range from \$78 to \$179 for a first violation.
- **Secondary Metals Recyclers.** Amend F.S. 538 and 539 to require secondary metal recyclers to conform to the same reporting requirements as pawnbrokers and secondhand dealers to assist in the tracking of stolen materials.
- **Service of Process.** FSA amendments to Chapter 30 to provide for electronically signed originals from the Clerks of Courts, which

already are permitted in F.S. 668. A second provision would also allow deputies to sign the original court return electronically.

- **Curbing Misuse of Prescription Drugs.** Support the Office of Drug Enforcement in the effort to close "pill mills" and provide funding for the statewide drug database for prescription drugs.
- **Gaming/Gambling.** Clarify existing Florida Statutes as they apply to the operation of the Internet café and sweepstakes operations.

Oppose Issues:

- **Protecting the Office of Sheriff.** The Sheriffs will oppose any issue that seeks to weaken or usurp authority from the historic Office of Sheriff.
- **Preserving Jail Terms.** The Sheriffs will adamantly oppose any legislation that attempts to let prisoners out of jail early or to reduce the 85% requirement for serving jail sentences.

Additional issues will be added to the FSA agenda as they surface during the course of the 2011 legislative session.

For more information, contact FSA Governmental Consultant Frank Messersmith, via email: frank@aol.com or FSA Assistant Executive Director of Operations Tim Cannon at: tcannon@flsheriffs.org.

Assure Your Voice is Heard By Lawmakers

As a Floridian, your role in the democratic process of government does not end at the polls. By sharing your opinions and ideas with your representatives and senators in Tallahassee, you help them decide what to do about the issues and pending legislation that affect us all. They value your suggestions and encourage you to express them.

The following tips will help you get the most from your efforts in government advocacy:

- Know who your lawmakers are and how to contact them. Information in this Guidebook will help, starting with the map on page 63.
- Make sure you understand the legislative process. Even the most basic understanding of the process will help you effectively express your ideas.
- Contact your lawmaker about a particular issue before the Legislature takes action on it. Find information at Online Sunshine: www.leg.state.fl.us/.
- Use a variety of methods: telephone, letters, e-mail, fax or in-person visits. You may even give testimony at public hearings. Contact the appropriate committee secretary to sign up.
- Tell your lawmaker what effect a particular bill – if it becomes law – will have on you, your children, business or community. Be concise, but specific.
- Be polite, even if you disagree strongly with the lawmaker's position. You'll be more effective if you are reasonable in your approach.
- Suggest a course of action and offer assistance. Don't make promises or threats.
- When writing to lawmakers, be brief. Never write more than one page. Identify your issue at the beginning and cover only one issue per letter. Back up your opinions with supporting facts – your letter should inform the reader.
- Plan any call or visit carefully. Organize your thoughts ahead of time and bring notes to help you stay on track. Prepare a one-page fact sheet concerning your issue to leave with the legislator. This will help him or her better retain the message.

For more information about the FSA Legislative Program contact Tim Cannon at 850-877-2165 or at tcannon@flsheriffs.org.

Support Your Local Sheriff by Joining the National Sheriffs' Association

The Sheriffs of our nation need your help. Due to budget cuts and cuts in federal grant funds, many Sheriffs' Offices cannot afford the training programs they need. The National Sheriffs' Association (NSA) offers many opportunities for your local Sheriff to get training, but NSA is also facing unprecedented costs and budget cuts.

That's where you can help. By joining the National Sheriffs' Association, you will be doing your part to assure training continues to be offered. As a member of NSA, you'll receive a "Support Your Local Sheriff" bumper sticker, a subscription to *Sheriff* magazine and an NSA membership card.

Act today, and we'll sign you up for a full year of NSA membership for just \$25.

Law enforcement has never been more important. Help support your local sheriff. Join the NSA today!

Find a membership form online at:
www.sheriffs.org/membership

The National Sheriffs' Association, now in its 70th year of serving law enforcement and other criminal justice professionals of the nation, is a non-profit organization dedicated to raising the level of professionalism among those in the criminal justice field. Through the years, NSA has provided programs for Sheriffs, their deputies, chiefs of police, and others in the field of criminal justice to perform their jobs in the best possible manner and to better serve the people of their cities, counties or jurisdictions.

FLORIDA SHERIFFS

Sixty-six of Florida's 67 counties have elected Sheriffs as their chief law-enforcement officers. Miami-Dade County has an appointed chief law-enforcement officer whose title is Director of the Miami-Dade Police Department. Sheriffs serve four-year terms and have county-wide jurisdiction that includes incorporated as well as unincorporated areas. All Sheriffs and the Director of the Miami-Dade Police Department are active members of the Florida Sheriffs Association.

Population figures are from the U.S. Census Bureau 2009 estimates, <http://quickfacts.census.gov>

E-mail Sheriffs through Web sites provided in biographical listing.

Support Pill Mill Legislation

Did you know that Florida leads the nation in prescribing controlled substances? These result in seven Floridians dying every day, along with countless others throughout the nation. Our state has become the destination for distributors and abusers through the proliferation of "pill mills."

While legitimate pain management clinics do exist to serve those with chronic pain or terminal illness, other unscrupulous clinics, called "pill mills," merely serve as drug-traffickers. Common characteristics of pill mills include: cash-only/no insurance; no appointments; armed

guards; little or no medical records; grossly inadequate physical examinations; and large prescription doses of narcotics that exceed the boundaries of acceptable medical care.

The 2011 Legislature will be asked to address this growing problem. Please pay attention to proposed restrictions that will provide law enforcement with better tools to investigate and crack down on doctors who engage in drug trafficking.

Keep Your Identity To Yourself

According to the Federal Trade Commission, an estimated 10 million Americans become victims of Identity Theft each year.

Victims report spending 30 hours, on average, cleaning up after an identity crime at an average cost of \$500.

Be aware of some of the ways identity thieves commit their crimes:

- They steal credit card payments and other outgoing mail from private, curbside mailboxes.
- They dig through garbage cans or communal dumpsters in search of cancelled checks, credit card and bank statements, and pre-approved credit card offers.
- They hack into computers that contain personal records and steal the data.
- They file a change of address form in the victim's name to divert mail and gather personal and financial data.

For more information on protecting yourself, visit the National Crime Prevention Council Web site: www.nccpc.org

STAR BRIEFS

Avoid Money Scams

Citizens should be aware of the increased financial scams during the recession. Consider visiting the Federal Trade Commission Web site called, "Money Matters." The site is filled with tips and warning signs for consumers about scams. The FTC especially wants people to be aware of businesses who promise to help homeowners from foreclosure. The Web site has information on scams, credit cards, managing money, dealing with debt and individuals jobs.

Find it at: <http://www.ftc.gov/moneymatters>.

Did you know....?

...the majority of Florida Sheriffs Association members are not employed in law enforcement?

Approximately 70,000 citizens throughout the state and 3,500 businesses make up the bulk of membership. And FSA is one of the rare state Sheriffs' associations that has full, active participation by all Sheriffs in the state.

FSA is also Florida's oldest law enforcement organization and the largest Sheriffs Association in the nation.

"Protecting, Leading and Uniting... since 1893"

Register for Protection

Many of the state agencies in Florida offer services that can help citizens better protect themselves. The following are the more popular registries and search services for crime prevention and personal safety.

Emergency Contact Information. The Florida Department of Highway Safety & Motor Vehicles uses their Driver License database for an additional benefit: contacting loved ones in an emergency. Register FREE online at: www.flhsmv.gov/. Click on the "Emergency Contact Information" (ECI) icon on the left side of the page.

Florida Offender Alert System. The Florida Department of Law Enforcement has created a FREE subscriber system to send an e-mail

alert in the event that a sexual offender or predator moves close to any address in Florida that you choose to monitor – including your home, workplace, school or daycare. Register to receive e-mail alerts at: www.floridaoffenderalert.com/

Criminal History Report. The public can search for criminal history information to screen employees or anyone else's criminal records using the Florida Department of Law Enforcement online database. The fee is \$24. Go direct to the Criminal History page at: www2.fdle.state.fl.us/cchinet/

Check other agencies from the state of Florida Web site. Find it online at: <http://www.myflorida.com/directory/>

Personal Safety Tips

Follow these personal safety tips from the National Crime Prevention Council to reduce your chances of becoming a victim of crime:

- Ask law enforcement for a free home security survey.
 - Trim the shrubbery around your doors and windows so crooks don't have a place to hide.
 - Do not give out personal information over the phone, through the mail, or over the Internet unless you have initiated the contact or know with whom you are dealing.
 - If you're a senior, use direct deposit for your Social Security check and other regular payments.
 - When traveling, carry only the credit and ATM cards you absolutely need. Leave the others at home, safely stored.
- Find more tips on the Web at: www.ncpc.org

Congressional Resources

You can get up-to-date information on all U.S. House of Representatives and U.S. Senate issues, including membership background and bill status. Visit these Web sites: www.house.gov and www.senate.gov

Social Networking Sites Not So Carefree

The popularity of social networking sites, such as Facebook and MySpace, continues to increase, but not everyone is aware of the security risks of posting a profile online.

Following are some precautions you can take to better protect yourself while using social networking sites.

- Limit the amount of personal information you post. Don't post information that would make you vulnerable (such as your address or information about your routine). If your "friends" post information about you, make sure it's not more than you would want strangers to know.

- Remember that the Internet is a public resource. Only post information and photographs that you are comfortable with anyone seeing.

- Be wary of strangers. The Internet makes it easy for people to misrepresent their identities and motives. Consider limiting the people who are allowed to contact you on these sites.

Tell Us About Your Company

For the first time in more than 50 years, the Florida Sheriffs Association is accepting sponsorship messages in *The Sheriff's Star* magazine.

This is your chance to reach a very loyal law-enforcement reading audience.

The *Sheriff's Star* reaches:

- Approximately 70,000 loyal FSA members
- Nearly 3,500 business members
- Sheriffs and other law enforcement members
- Pro law-enforcement retirees and activists

THE
**SHERIFF'S
STAR**

What You Need to Know About the Florida Sheriffs Association

Whether you are a long-time member of the Florida Sheriffs Association or a relative newcomer, you probably have some questions about how this non-profit operates. Well, here are your answers.

Q. What is the Florida Sheriffs Association?

The Florida Sheriffs Association is a not-for-profit 501(c)(3) corporation made up of the 67 Sheriffs of Florida, plus approximately 70,000 citizens, business leaders and law-enforcement officers throughout the state.

Founded in 1893, FSA has quietly served the citizens of Florida by supporting the needs of the state's law-enforcement community. It is the largest and most successful state law-enforcement association in the nation and is Florida's oldest. FSA also is one of the rare Sheriffs' associations nationally that has full, active participation by all Sheriffs in the state.

Through the Florida Sheriffs Association, the 67 Sheriffs of Florida are given a forum to address lawmakers and push for positive changes in the criminal justice system in our state. FSA also provides Sheriffs' Offices badly needed programs such as affordable training, special task forces and legislative and legal services. Because FSA unites the efforts of all Sheriffs' Offices in the state, the result is a significant cost savings for better-quality policing.

Find more information about the membership levels online: www.flsheriffs.org/.

Q. How is FSA organized?

FSA is a corporation made up of the 67 Sheriffs of Florida. To ensure statewide representation, the state is divided into four districts. A 17-member Board of Directors – all of whom are Sheriffs – manages the corporation. See a listing of our current Officers and Board members on page 2 and 3.

The Florida Sheriffs Association employs an Executive Director and a support staff to carry out the Association's mission and organize conferences. Offices are located in the state's capital, Tallahassee.

Q. Where does the money from membership dues go?

Approximately 70 percent of FSA's annual expenses go right into programs that enhance law enforcement in all counties throughout the state. These include training for Sheriffs' Office staff, financing of youth programs, providing professional and legal services to Sheriffs, organizing task forces

and hosting Sheriffs' conferences. FSA does not employ telemarketers or professional fundraisers and welcomes the scrutiny of all Florida citizens on financial matters. A copy of the official registration and financial information may be obtained from the Division of Consumer Services by calling 1-800-435-7352, toll free within the state of Florida. Registration does not imply endorsement, approval, or recommendation by the state.

Q. What are some of FSA's programs and events?

The Florida Sheriffs Association holds two statewide conferences for Sheriffs and their command staff each year. One is traditionally in the summer; the other in late January. Please see our calendar of events on page 35 of this publication for more details on training programs.

FSA is also the founding sponsor the Florida Sheriffs Youth Ranches and a primary source of their support. The association founded the Florida Sheriffs Explorers Association, the Florida Sheriffs Teen Driver Challenge and offers numerous other programs that contribute to public safety in Florida. Find out more on our website: www.flsheriffs.org.

Q. Please explain the relationship between the Florida Sheriffs Youth Ranches Inc. and the Florida Sheriffs Association.

The Florida Sheriffs Association is the parent organization that formed the Florida Sheriffs Youth Ranches Inc. in 1957. A portion of FSA membership dues is allotted to help the Youth Ranches, but our offices are separate.

The Association and Youth Ranches are both run by a Board of Directors, but they are not the same board. The Association and the Youth Ranches are registered as Florida charities and are tax exempt. Find out more at: www.youthranches.org/.

Q. How do I find out more about FSA?

FSA publishes a helpful booklet about its many programs titled, "An Overview of the Florida Sheriffs Association." It's available for download online: www.flsheriffs.org. Or, you can call us toll-free to receive a printed copy: 1-800-877-2168.

If you have a question that you don't see answered, feel free to write to us. Send questions to the attention of:

Editor,
The Sheriff's Star magazine

Florida History - Online!

If you haven't visited the Florida Memory Project online, you are missing a great experience. The Florida Memory Project includes historical records that illustrate significant moments in Florida history, educational resources and archival collections for historical research.

Within the collections and databases are:

- Spanish Land Grants
- Florida Folklife collection
- World War I service cards

Florida's early constitutions, and more

All images are digitized for immediate access and study.

It offers a wealth of details for genealogical and other types of research that are particular to Florida.

Find out more - and explore - at:

Teaching children “Law Enforcement Officers Are Your Friends!”

Founded by Sheriffs of Florida and the Florida Sheriffs Association, and in partnership with the great citizens of Florida, the Florida Sheriffs Youth Ranches prevents delinquency and develops strong, lawful, resilient, and productive citizens who will make a positive contribution to our communities for years to come. Through four residential campuses, two youth camps, and a variety of other services, we develop young men and women who will face the future with a sense of direction, ability, and hope.

Since 1957, the Florida Sheriffs Youth Ranches has served over 115,000 boys, girls, and their families from each of Florida's 67 counties. Thank you for supporting

“Florida’s Charity for Florida’s Children.”
